ROBERT YEARY was a graphic arts major. He plans to work as a printer after graduating.

guys took off the coats at the same time. Our gentleman president, Al Raffetto, dismissed the student body early so they wouldn't see the streaked-by-tears faces of our graduating girls, and then it was rehearsal and too soon *the night* arrived. That everyone was in his place early was the wonder of the evening. Ron Anfinson's whispers to watch out for the mike will be among the memories of several. Bob Larribeau, Carolyn Roberts, Al Berglund, Ann Pflueger, Karen Okelberry all represented the class as speakers. Barbara Stone and Al Raffetto aided in giving out the diplomas, and suddenly it was all over except for the kissing and hugging and congratulations!
